

FERSON CREEK'S SEVENTH ANNUAL WRITE-A-CHECK CAMPAIGN

Our goal is to raise **\$13,000** for school enrichment programs and supplies.

This is our main fundraiser! **100%** of your donation will go straight to the students and is tax deductible. In other catalog/sales based programs, schools receive only a fraction of the money donated by families and friends.

Budgeted monies are spent **DIRECTLY** on students throughout the year:

- \$15,500 to help cover field trip expenses for all students in all grades
- \$7,300 on classroom and learning materials, subscriptions and supplies for EVERY classroom
- \$2,500 for art and music enrichment
- \$2,000 on many stimulating and enriching assemblies throughout the school year
- And much, much more!

For every \$25 your family contributes, your name will be entered in our **PRIZE DRAWING**, thanks to the generosity of our donors. For example, a \$75 donation would give you three chances to win.
