

So, it is the end of the school year and you don't know what to do with all those old school supplies?

Don't throw them away!

Instead, recycle them!

On June 4th, the last day of school, we would like to collect and recycle your gently used school supplies. There will be a box in the school lobby as well as a bag in each classroom for recyclables.

Recyclable items would go to: Books for Rescue, a local Children's Home, Ferson Creek art class and AVIC. If you are interested in donating your gently used school supplies let your child know, fill out this form, and then give it to your child's teacher.

If you have any questions please email yadirasoter@hotmail.com or call 630-444-7395.

Thank you,
PTO Recycling Program
