

Goodbye and Best Wishes!

At one point or another we have all come to Ferson, walked through the doors, and have been greeted by two of the most fabulous professionals a school could ever ask for. Rosanne Siegler and Dianne Nero have been the face of Ferson Creek for many years. They have cared for our students, supported our teachers, and advocated for our parents. The school runs smoothly and safely, day in and day out, and they always have a smile and a kind word for us. Their dedication and commitment to Ferson is unparalleled, and they will be sorely missed. Although they are closing a chapter here at Ferson, we are happy for them and hope that they find relaxation and joy in retirement! Goodbye and good luck! We love you both!

The passing of the torch...

The legacy left behind by Rosanne and Dianne is one of excellence and service. Ferson is pleased to announce that we have hired two wonderful individuals to take over the front office. Many of you recognize Gerry Lippelt, as she has worked part-time in the office for several years now. Additionally, you may recognize Libby Sutherland as our After-School Enrichment Coordinator and a parent here at Ferson Creek. They both look forward to serving you, your

children, and the community in the coming years. Please be sure to say hi the next time you are in the office.

We are in good hands...

Although Rosanne and Dianne are taking years of experience and knowledge with them as they retire, they have worked diligently with Gerry and Libby to share all the facets of how to support a school. The school, the staff, and our students are in good hands. They will be cared for in the same kind, caring, and graceful manner with which we are all accustomed. Thanks to Rosanne and Dianne for setting an expectation of excellence here in the Front Office, we are sure that Gerry and Libby are up to the task!
