

Ferson Creek PTO After-School Enrichment (ASE) 2017 Class Catalog

The Ferson Creek PTO is pleased to offer another year of exciting After-School Enrichment (ASE) classes! We hope these classes give our students an opportunity to try something new, improve a skill or just have fun! We truly appreciate the parents, staff, local businesses and community members who give their time to our Ferson Creek students. Included are the class descriptions:

Questions regarding the class catalog can be directed to Liz Holcomb via email at lizzybeez@msn.com

This class will introduce kids to parts of the Guitar and how to strum and how to fret a note and chord. Several guitars will be on hand for the kids to try. Students may bring their own guitars from home! *THIS CLASS MEETS TWICE. YOU MUST ATTEND BOTH SESSIONS! Offered by: Guitar Fundamentals Dates: Monday, 2/6 AND Wednesday, 2/8 Grades: K, 1, 2, 3 Maximum: 15 students Fee: \$20 (\$10 per class)
Guitar Fundamentals II (2/13 and 2/15) Grade 4-5	The Martians have landed and are ready to jam! The Mars Jamzz Beginning Guitar Course has 4 Fun Martians walking kids through the lesson! This class will introduce kids to parts of the Guitar and how to strum and how to fret a note and chord. Several guitars will be on hand for the kids to try. Students may bring their own guitars from home! *THIS CLASS MEETS TWICE. YOU MUST ATTEND BOTH SESSIONS. Offered by: Guitar Fundamentals Dates: Monday, 2/13 AND Wednesday, 2/15 Grades: 4, 5 Maximum: 15 students Fee: \$20 (\$10 per class)
Insects 2/13 Grade K-5	Showcase of the impressive diversity in the insect world. We will discuss the distinguishing features of all insects while also highlighting their important role in a healthy ecosystem. Offered by: Kane County Forest Preserve Date: Monday, 2/13 Grades: K, 1, 2, 3, 4, 5 Maximum: 25 students Fee: Free
Kitchen Chemistry (2/27) Grade 1-5	Children are introduced to the differences between chemical and physical reactions. The instructor demonstrates how yeast feeds on sugars to produce a gas-filled balloon. The children test food samples for starch and protein and learn that certain foods help us grow, develop, and function. They familiarize with digestion – the process that occurs after they eat. Offered by: Mad Science Date: Monday, 2/27 Grades: 1, 2, 3, 4, 5 Maximum: 25 students Fee: \$12
Keyboards (2/23) Grade 3-5	Get ready for intergalactic out-of-this world keyboard lesson experience. Children will learn notes, chords, and a fun song or two. Offered by: Guitar Fundamentals Date: Thursday, 2/23 Grades: 3, 4, 5 Maximum: 15 students Fee: \$12

Native American Games (2/1) Grade K-5	Here is a class that lets you understand more about the Native American Indian Tribes. This class will help you understand how Native American Indians lived, played and worked. Offered by: Hickory Knolls Discovery Center Date: Wednesday, 2/1 Grades: K, 1, 2, 3, 4, 5 Fee: \$5 Maximum: 15 students
Magnetic Magic (2/28) Grade K-5	This class provides the basic physical principles governing magnetism. Children learn how and why magnets behave in such ways. They learn how to create magnets and how magnetism is lost. Children use compasses to gain a better understanding of how humans benefit from the Earth's magnetic force. Hands-on experimenting – from swinging compasses to motorized devices allows children to explore the role of magnetism in our everyday lives. Offered by: Mad Science Date: Tuesday, 2/28 Grades: K, 1, 2, 3, 4, 5 Fee: \$12 Maximum: 25 students
Martial Arts (2/8) Grade K-2	Martial Arts for Fun, Fitness and Feeling "safe", with LaFox Martial Arts and Miss Vicky. Come Kick, Punch, Jump and Turn with the moves of an American Ninja Warrior. Challenge yourself to reach new heights in athletics with drills and skills of Martial Arts. Take the quest of beating the clock with Minute to Win it Moves. Strike thru boards to build your strength and confidence. Everyone wins the Medal at the end!! Parents are welcome to come to train, too! Offered by: LaFox Martial Arts Date: Wednesday, 2/8 Grades: K, 1, 2 Fee: \$ 5 Maximum: 40 students
Martial Arts (2/22) Grade 3-5	Martial Arts for Fun, Fitness, and Feeling "safe", with La Fox Martial Arts and Miss Vicky. Come Kick, Punch, Jump and Turn with the moves of an American Ninja Warrior. Challenge yourself to reach new heights in athletics with drills and skills of Martial Arts. Take the quest of beating the clock with minute to win it moves. Strick thru boards to build your strength and confidence. Everyone wins a medal at the end! Parents are welcome to come to train, too! Offered by: LaFox Martial Arts Date: Wednesday, 2/22 Grades: 3, 4, 5 Fee: \$5 Maximum: 40 students

Marshmallow Mania (2/15) Grade 3-5	Blast marshmallows out of a homemade marshmallow launcher. Test your creativity by building a marshmallow catapult. After perfecting ways to make your 'mallows' fly, play some fun games and wrap up with a marshmallow's true purpose. Offered by: Hickory Knolls Discovery Center Date: Wednesday, 2/15 Grades: 3, 4, 5 Maximum: 20 students Fee: \$5
Marshmallow Mania (2/27) Grade 3-5	Blast marshmallows out of a homemade marshmallow launcher. Test your creativity by building a marshmallow catapult. After perfecting ways to make your 'mallows' fly, play some fun games and wrap up with a marshmallow's true purpose. Offered by: Hickory Knolls Discovery Center Date: Monday, 2/27 Grades: 3, 4, 5 Maximum: 20 students Fee: \$5
Mini Garden in a Pop Bottle (2/14) Grade K-5	Do you want to have fun with dirt? Kids learn how to make their own mini greenhouse and care for it. Offered by: Heinz Brothers Greenhouse/Garden Center Date: Tuesday, 2/14 Grades: K, 1, 2, 3, 4, 5 Maximum: 20 students Fee: \$6
Musical Theatre (2/9) Grade 3-5	Come join in the fun when our classroom/gym becomes a musical theatre studio. Dance/drama instructor, Jenny Maxwell will teach your child the basic fundamentals of musical theatre in a fun, easy going environment! No experience necessary. Offered by: Jenny Maxwell Date: Thursday, 2/9 Grades: 3, 4, 5 Maximum: 40 students Fee: \$7
Optical Illusions (2/6) Grade 1-5	This class uses engaging demonstrations and activities to introduce children to the concepts of refraction, the science of optics, and the neology associated with sight. Optical illusions like the mirror mirage, twisting copper coils, and convex and concave mirrors to trick the eye. This is a hands-on class. Prepare to be amazed! Offered by: Mad Science Date: Monday, 2/6 Grades: 1, 2, 3, 4, 5 Maximum: 20 students Fee: \$12

Poms (2/2) Grade 3-5	An exciting class designed to introduce dancers to the basics of proper jazz pom dance techniques, while having the fun of working with pom poms! Learn a routine to popular music to show your friends. Offered by: Grace Urbasic Date: Thursday, 2/2 Grades: 3, 4, 5 Fee: \$5 Maximum: 15 students
Reptiles (2/6) Grade K-5	See reptiles up-close, live, and hands-on! Students learn about reptiles and amphibians from around the world. Students will have a chance to observe, learn about and touch these amazing animals. Be brave and join us as the instructor brings along his: Komodo Dragon, 30-pound Tortoise, 5-foot-long Iguana, 5-foot-long alligator, 110 pound, 13.5-foot Python and a few other amazing reptiles. *CLASS ENDS AT 4:30pm Offered by: Dave's Traveling World of Reptiles Date: Monday, 2/6 Grades: K, 1, 2, 3, 4, 5 Fee: \$ 10 Maximum: 40 students
Reptiles & Fossils (2/13) Grade K-5	Want to see a T-Rex tooth the size of a banana, dinosaur eggs, shark teeth or a real dinosaur skull?? This class is for everyone! Come and see amazing fossils of our past and how they are similar to our living reptiles of today. This will be an amazing class you don't want to miss! *CLASS ENDS AT 4:30pm Offered by: Dave's Traveling World of Reptiles Date: Monday, 2/13 Grades: K, 1, 2, 3, 4, 5 Fee: \$ 10 Maximum: 40 students
Safety on Our Own (2/21) Grade 2-5	This class includes safety tips, encouragement to follow family rules and simple first aid. There are also questions parents can answer to help them determine when a child is ready for this step. This class is recommended for all the children who someday will experience the opportunity of being alone without supervision. There will be a special visit from our local police department. Offered by: Linda Jones Date: Tuesday, 2/21 Grades: 2, 3, 4, 5 Fee: \$7 Maximum: 12 students

Sculpey Clay (2/6 and 2/13) Grade 1-5	Come and learn how to use this amazing clay. Soft and moldable until it is baked. A local Art instructor will show you how to create adorable pieces of work to take home. You'll be amazed at what you can create! *THIS CLASS MEETS TWICE. YOU MUST ATTEND BOTH SESSIONS. Offered by: Tony & Friends Art Studio Dates: Monday, 2/6 AND Monday, 2/13 Grades: 1, 2, 3, 4, 5 Maximum: 20 students Fee: \$ 24 (\$12 per class)
Sew a Pillow Case (2/8) Grade 2-5	Create a fuzzy fleece owl! Learn how to machine sew, stuff and stitch your very own owl buddy! All materials and supplies will be provided. Offered by: Cindy Beitzel Date: Wednesday, 2/8 Grades: 2, 3, 4, 5 Maximum: 16 students Fee: \$ 12
Sew a Pokemon Buddy (2/9) Grade 2-5	Make a cozy fleece pillow with bright colored fabrics. Learn how to machine sew sharp corners to create the perfect pillow. All materials and supplies will be provided. Offered by: Cindy Beitzel Date: Thursday, 2/9 Grades: 2, 3, 4, 5 Maximum: 16 students Fee: \$ 12
Shrinky Dinks (2/15) Grade K-5	Want to make a beautiful charm for your mom or Grandma for Valentine's Day? Come and make your special Shrinky Dinks and see them shrink before your eyes. (We are in need of 1 to 2 more toaster ovens for this class.) Please contact Liz Holcomb if you have an available toaster oven. Offered by: Jonnetta Chappel Date: Wednesday, 2/15 Grades: K, 1, 2, 3, 4, 5 Maximum: 20 students Fee: \$ 5
Slime Time (2/8) Grade K-5	Concoct some slippery and slimy substances! Slime Time provides an entertaining lesson on polymers and their properties. These relatively complex chemistry concepts are introduced to elementary school-age children in tactile, visually-engaging experiments. Students create cross-linked polymers based on their observations of the properties of polymers and cross-linking agents. Offered by: Mad Science Date: Wednesday, 2/8 Maximum: 20 students Grades: K, 1, 2, 3, 4, 5 Fee: \$ 12

Spiders (2/9) Grade K-5	A creepy, crawly presentation from friends at Dave's Traveling World of Reptiles! Come learn about some of the most dangerous spiders in the world. Learn more about spiders who live in our own backyard! Program will include many live specimens! *CLASS ENDS AT 4:30pm Offered by: Dave's Traveling World of Reptiles Date: Thursday, 2/9 Grades: K, 1, 2, 3, 4, 5 Maximum: 30 students Fee: \$ 10
Super Sticky Stuff (2/15) Grade 1-5	Students will be given the opportunity to perform inquiry-based experiments to test the properties of adhesive objects. They will develop an understanding of the science of sticky elements and practice hands-on activities to explore the nature of natural and synthetic adhesive materials. Offered by: Mad Science Date: Wednesday, 2/15 Grades: 1, 2, 3, 4, 5 Maximum: 25 students Fee: \$12
Sweets and Treats (2/7) Grade 2-5	Do you love to have a treat? Do you want to decorate a cookie for a special someone? Come and let your creativity flow! All supplies will be provided. Offered by: Amy Stone Date: Tuesday, 2/7 Grades: 2, 3, 4, 5 Maximum: 15 students Fee: \$12
Sweets and Treats (2/16) Grade 2-5	Do you love to have a treat? Do you want to decorate a cookie for a special someone? Come and let your creativity flow! All supplies will be provided! Offered by: Amy Stone Date: Thursday, 2/16 Grades: 2, 3, 4, 5 Maximum: 15 students Fee: \$12
Taekwondo I (2/21) Grade K-2	Learn from the best! If you have an interest in taekwondo, this class is for you! Learn basic self-defense moves, life skills and BREAK A BOARD in class. All participants will take home a belt after completing this course. Offered by: Bill Cho's United Taekwondo Center Date: Tuesday, 2/21 Grades: K,1, 2 Maximum: 40 Students Fee: Free (An additional \$10 if you would like a t-shirt. By submitting an additional \$10 for this class, a t-shirt will be purchased for your child)

Taekwondo II (2/23) Grade 3-5	Learn from the best! If you have an interest in taekwondo, this class is for you! Learn basic self-defense moves, life skills and BREAK A BOARD in class. All participants will take home a belt after completing this course. Offered by: Bill Cho's United Taekwondo Center Date: Thursday, 2/23 Grades: 3, 4, 5 Maximum: 40 students Fee: Free (An additional \$10 if you would like a t-shirt. By submitting an additional \$10 for this class, a t-shirt will be purchased for your child)
Things That Make You Go Ewe II! (2/6) Grade 1-5	Animals do disgusting things that will make you say "Cool"! As much as you will say "Ewe!" Come and explore scat, decomposition and other animal habits through hands-on activities and live animal visits. You will be amazed. Bigger and Better than before! Offered by: Hickory Knolls Discovery Center Date: Monday, 2/6 Grades: 1, 2, 3, 4, 5 Maximum: 20 students Fee: \$5
Watts Up? (2/1) Grade K-5	This class offers children a solid introduction to the properties of electricity and electric charges. Children discover an electric charge's basic properties, learn to distinguish between static electricity and electrical current. They will learn how to protect themselves from electric shocks and lightning. Offered by: Mad Science Date: Wednesday, 2/1 Grades: K, 1, 2, 3, 4, 5 Maximum: 20 students Fee: \$12
